## Ingredients:

4 c. sugar  
4 c. water  
3/4 small jar instant coffee (1 1/2 oz)  
1 vanilla bean (split lengthwise)  
1 qt vodka

## Preparation:

Boil sugar and 3 cups of water until sugar is dissolved. Boil 1 cup water, remove from heat and add coffee, let cool.

Split vanilla bean and place in jug. Pour vodka and other mixtures in and shake. Let sit for 30 days and agitate 2x daily.

The longer it sits the more vanilla flavor you will get.
